Summary

As a recent graduate of a six month long full stack web development bootcamp, I am seeking a role which allows me to continue learning and perfecting my skills while contributing value to the company. I have excellent communication skills and can work effectively with colleagues. I have basics of HTML5, PHP OOP, JavaScript, CSS, MySQL languages, however it's not a mountains top, so I'm trying to increase my knowledge in both - front-end and back-end.

Skill Highlights

- HTML5, CSS
- Javascript, ReactJS
